TO: ALL AGWAY RETIREES AND FORMER EMPLOYEES:

This year, we are pleased to have as our speaker Jason Smorol, General Manager, Syracuse Mets Baseball Team. This was the first year after the changeover from the former Chief's organization. The Mets presence has been exciting for local baseball and the community, Jason has a long history in baseball and his experience and enthusiasm will be incorporated into his presentation.

Ben, Gasser, President and CEO of Countryside Federal Credit Union will also give us a report and answer any questions.

Note that this meeting is open to all former employees of Agway. Please invite anyone you know that worked for Agway. They are all welcome to attend this and future meetings. Have them contact Cliff Mellor (information below) to make a reservation.
